

Two-Up Rules

Charity of the Day: RSL LifeCare Queanbeyan - Veteran & Family Hub The game will be played in the spirit of the ANZAC's

Game

- The game will be played with three (3) coins (tails will be marked with a white cross)
- The Spinners initial bet, and subsequent bets must be covered before he/she can throw
- If two or more coins land on either head or tail a result will be declared by the Ringer
- The coins must be thrown above the spinners shoulder and must rotate. (the Ringer's call will be final)
- Coins must land in the Box (if two coins land in the box and a result is obvious the game will be declared fair) At least two coins must land in the box, or the game will be void.
- If any coin hits the ceiling or makes, contact with anything while in the air the throw will be declared VOID

Spinning

- The coins must be thrown from a kip
- Spinner must be called by the Ringer before proceeding "Come in Spinner"
- Spinners minimum bet is \$10.00
- After each successful "heads" round the spinners bet is doubled.
- Spinner must throw 3 heads in a row before he/she can collect
- When collecting after three successful "heads" the Spinners initial stake will be donated to "RSL Lifecare"
- After three successful "heads" are thrown, the spinner may collect their winnings and bet on each game thereafter as a standalone bet without mandatory commitment to a charity (the Spinner must continue to throw heads to remain in the Ring)
- If the Spinner throws Three VOID throws in a row, the spinners initial stake will be donated to charity, and they will be removed from the ring and replaced by the following spinner.

Side Bets

- **TAIL BETTER Holds the money**
- The RHQ Ring Volunteers will assist in finding side betters from inside the ring.
- The RHQ and its volunteers will not be responsible for side bets (know who you are betting with, if you are across the ring, make eye contact and confirm your bet with a friendly nod)
- When a game is declared the tail better either returns the bet to the head better immediately, or keeps the winning bet (depending on the result)
